

The introductory conference of the CYSCROMS project was held on Thursday, February 29th 2024 at the premises of the Ministry of the Sea, Transport and Infrastructure. In addition to the Ministry, as the lead partner in the Cyber safety in Croatian maritime transport sector - CYSCROMS project, the conference was attended by project partners from the consortium, as well as interested members of the public. The CYSCROMS project started in October 2023 and will last until September 2026.
